APPLICANT'S INTERVIEW RECORD

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant wishes to express his appreciation to Examiner Nguyen for the courtesies extended Applicant's representative at the December 13, 2004 personal interview. In accordance with MPEP §713.04, the points discussed during the interview are incorporated in the remarks below and constitute Applicants' record of the interview.

Examiner Nguyen agreed that the November 8, 2004 Amendment obviates the indefiniteness rejection under 35 U.S.C. §112, second paragraph, and also agreed to withdraw the Final Rejection.

Applicant's representative argued that the claims define patentable subject matter over the prior art of record at least for the reasons discussed in the November 8, 2004 Amendment. Examiner Nguyen agreed to review the amendments to the claims and the arguments further before issuing another Action.

Respectfully submitted,
